

Greetings

Dear Rottweiler friends

The board of the ADRK e.V. gives sincere thanks to the BG Dessau for overtaking the Klubsiegerzuchtschau of this year.

We feel confident that Daniel Kemp and his team will organise this event professionally as usual.

The Klubsiegerzuchtschau is the biggest and most important show of the world for our breed Rottweiler. Therefore we are glad and happy that in this year the number of entries again amounts to 454 Rottweilern from 38 countries.

I want to welcome our Rottweiler friends from abroad, who spare neither trouble nor expenses and visit numerously our Klubsiegerzuchtschau each year again. But not to forget our fellow countrymen. I also want to welcome them most cordially and give thanks for their efforts they undertake all year long for the Klub.

Exciting decisions are to be expected which will surely capture everybody's imagination, not only the exhibitors but hopefully also yours as audience.

I wish you all a nice, thrilling and successful weekend among the Rottweiler friends from all over the world here in Dessau!

Sporting Greetings

René Külzer
President of the ADRK
